Re: In the Matter of The City of Rock Springs,  
Administrative Compliance Order  
Docket No. CWA-08-2011-0003

Dear Mr. Gaviotis:

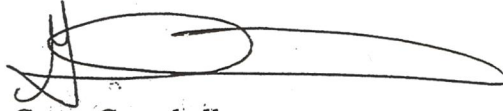

On March 8, 2011, the U.S. Environmental Protection Agency (EPA) issued an Order for Compliance (Docket Number CWA-08-2011-0003) to the City of Rock Springs (the City). This Order required the City to comply with the federal Pretreatment regulations, found in 40 C.F.R. § 403, and the Clean Water Act as amended in 33 U.S.C. § 1251 *et seq.*

Upon receipt of this letter, the City may cease submission of the quarterly reports required under paragraph 75 of the Order. At this time, the EPA is requesting the itemized list of costs described in paragraph 77 of the Order. Please include the following information in the itemized list of costs:

1. The cost of any Full-time Equivalent (FTE) staff added to the City's budget due to any reassignment of pretreatment or non-pretreatment duties that were formerly performed by pretreatment FTEs in order to comply with the Order;
2. The annual cost to sample all significant industrial users (SIUs) for 2011, including the cost of equipment (e.g. automatic samplers, tubing, vehicles, other equipment) and analyses and a list of any portion of sampling costs that were billed back to the SIUs; and
3. Any other itemized costs incurred to implement the actions specified in paragraphs 69-76 of the Order.

If you have any questions regarding this letter, the most knowledgeable person on my staff is Stephanie Gieck, Environmental Scientist, who can be reached at (303) 312-6362.
